Dear Ladies and Gentlemen:

Please find enclosed a check that I hope will help you continue your good work. I started feeding two "feral" cats this winter with the intent to try and trap and spay them after having learned of your organization at Pet Supplies Plus in Broad Ripple. I know that my most "regular customer" had at least one scrawny kitten last summer, and I believe the second, wilder cat who often stops by for meals was that scrawny kitten. I noticed the clipped left ears on both, and I was delighted to learn, after talking with your volunteer, that they have both already been spayed and "earmarked."

I have lived in this neighbor for about nine years, and in past summers we have been overrun with cats and kittens. Without knowing why, last year I noticed many fewer cats, and those remaining ones looked much healthier.

Thank you and keep up the good work. It works!

Sincerely,

Sue Mills
